ABOUT THE ORGANIZATION

Charlie's guys is a Colorado-based nonprofit organization and is the only organization of its kind that serves children who have lost a sibling with a special gift or experience to help them through the trauma on their grief journey. The organization was founded in 2018 to commemorate and honor the life of 23-month-old Charlie Davies after he unexpectedly lost his life. Charlie loved superheroes, specifically the Transformers: Robots in Disguise. He called the robots "The Guys" as in "disguise," which is how the name "Charlie's Guys" was born.

Charlie's Guys provides FREE grief resources, gifts & experiences for grieving children.
